Other costs

In addition to Programme Fees payable to the University, you should budget for textbooks (this may well be in the region of £300 per year if you are taking four courses in one year) and tuition costs (if studying at a teaching institution).

You should also budget for the fee charged by your local examination centre. Examination centre fees are not included within the fees set out above. This fee will vary from centre to centre and you should contact your proposed examination centre(s) for details of their fees to factor them in to the overall cost of completing the programme. You can find contact details for all our [examination centres](#). The University of London is only responsible for the examination centre fee charged at London centres. You will be charged £65 per sitting when using London examination centres.

Goods and Services Tax (GST)

On 1 July 2017 a [Goods and Services Tax \(GST\)](#) was introduced in India which applies to online services. From 1 August 2019, the [University will be required to add GST](#) at the statutory rate of 18% to its programme fees for new and continuing students resident in India.

Please note

Programme Fees are subject to annual revision and typically may be increased by up to 5% per annum.

Generally, students whose fees are paid by sponsors will be expected to correspond directly with their sponsor regarding Programme Fees. The University can provide an invoice, if needed, upon request. Materials will not be despatched and VLE access will not be available until Programme Fees have been received.
