### **Additional costs**

In addition to the Programme Fees payable to the University, you should also budget for:

- the fee charged by your local examination centre. Examination centre fees are not included within the fees set out above. This fee will vary from centre to centre and you should contact your proposed examination centre(s) for details of their fees to factor them in to the overall cost of completing the programme. You can find contact details for all our examination centres on [this page](#). The University of London is only responsible for the examination centre fee charged at London centres. You will be charged £81 per sitting when using London examination centres;
- the fee charged for local tuition (where available) by your University of London Recognised Teaching Centre if you take modules with institution-supported learning.

### **Goods and Services Tax (GST)**

The University is required to add Goods and Services Tax (GST) to certain fees paid by students residing in certain countries. Further information can be found on our [web page](#).

All student fees shown are net of any local VAT, Goods and Services Tax (GST) or any other sales tax payable by the student in their country of residence. Where the University is required to add VAT, GST or any other sales tax at the local statutory rate, this will be added to the fees shown during the payment process. For students residing in the UK, our fees are exempt from VAT.

### **Registration and module selection**

- You must pay the fee for at least one module to be registered with us.
- If you wish to pay all the module fees for the MBA (10 module fees plus one Strategic Project fee), you can make a single payment by selecting all the modules for the MBA when you first register.
- When we receive your payment, we will give you a registration date that marks the beginning of your maximum five-year registration period with us.
- When you pay for a module, you must select the module session in which you wish to study it (this selection can be changed before the module session starts).
- When the module session starts, you must keep to the University's published rules and deadlines for taking examinations and submitting coursework and projects.

### **What to pay**

Where applicable, you are required to pay the following Programme Fees in full:

- The application fee (non-refundable) is payable when you make your application for the MBA, PGDip, PGCert or Individual modules taken on a standalone basis. If your application is successful, you will receive an offer inviting you to register.
- The module fee is payable once per module and includes access to study materials and entry into the assessments (written examination, coursework and project, as applicable) associated with the module.
- The module fee is determined by:
  - a) whether you choose either institution-supported learning (where available) or web-supported learning, *and*
  - b) the country in which you reside when you register for each module (countries are classified into two categories: [Band A and Band B](#)).

**Note:** If you choose institution-supported learning, you cannot also buy web-supported learning. If you choose to pay the full course fee, you will automatically receive web-supported learning for all of the modules but you can also select to study any of the modules at an institution; however, you will also need to pay the requisite tuition fee to the institution for this support.

If you choose to defer an examination or need to re-sit an exam, you will pay the module continuation fee (unless you have paid the full course fee) and will receive web-supported learning, see below

The module continuation fee is payable when you do not complete a module in the session that you have selected, by the published deadlines, and have to do one or more of the following:

- a) submit or resubmit a coursework or project element for a module that you have failed;
- b) take or retake an examination that you have deferred or failed.

The module continuation fee includes access to study materials, web-supported learning and entry into assessments.

### **When to pay**

You must have paid your module and/or module continuation fees by the registration closing date for your chosen study session.

### **How to pay**

Details on how to pay your fees are available on the [website](#).

Generally, students whose fees are paid by sponsors will be expected to correspond directly with their sponsor regarding Programme Fees. The University can provide an invoice, if needed, upon request. Materials will not be despatched and VLE access will not be available until Programme Fees have been received.

Programme Fees are subject to annual revision and typically may be increased by up to 5% per annum.
