Schedule

Quality Assurance Schedule – London School of Hygiene and Tropical Medicine

UNIVERSITY OF LONDON

The University of London's distance learning programmes are delivered through a partnership between the University of London Worldwide (UoLW) and Member Institutions (MIs) of the University of London. The terms and conditions of the partnership are set out in collaboration agreements that detail the division of responsibilities between the UoLW and Member Institutions. The Quality Assurance Schedule forms part of the Collaboration Agreement. It reflects policy, process and operational responsibilities between the UoLW and Member Institutions. The following frameworks inform the policies and responsibilities:

- United Kingdom Quality Code for Higher Education, which contains nationally agreed formal expectations that all UK higher education providers reviewed by Quality Assurance Agency are required to meet;
- Competition and Markets Authority (CMA) guidance on consumer protection law and the framework for higher education qualifications in England, Wales and Northern Ireland.

Quality Assurance Schedules are maintained by the Quality Team, Student and Academic Services Directorate of the UoLW and are updated annually in consultation with the Member Institution.
